Chairman Message

Our journey to the forefront of the Fire Fighting industry has been the result of a different kind of fire.....a Fire that you cannot see but which burns within all of us. It's the passion for excellence and enterprise. We believe that it is in the fire within that distinguishes one from the other. It drives us to be the bestgives us the power to pursue our dreams to go where no one has dared to as far as fire safety is concerned.

Built on solid and unshakeable foundations, Manglam Engineers India Pvt. Ltd. has evolved beyond its rich heritage, steeped in integrity, reliability, quality and most importantly, *an innate ability for innovation*. We were the first company in India to use Ozone friendly Fire Protection Systems in 2000. We constantly innovate to generate out of the box solutions as a response to the growing environmental concerns so as to focus on the needs of tomorrow. Our emphasis on the Service Provider in all Occupancies Like Industries, Residential, Commercial, Hospitality, Warehousing & Transports. In 2004 we also bagged the order for Different esteemed players in real estate and Industries – Our first breakthrough in Hospitality was Fortune Hotels, Dharuhera (A Concerns Unit of Kamdhenu Steels Ltd.). Now our emphasis is also on Energy Sector and Oil Block contract is the stepping stone for it.

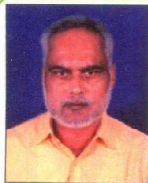

We at MEIPL constantly endeavor to offer our customers, clients and stakeholders, a bouquet of security & success. I can assure you that we shall leave no stone unturned in striving to be the best.... to relentlessly augment each and every sphere of fire protection while keeping the demands of our environment at its core, so as to make our world a better place to live in for each one of us and the future generations to come.
